La légende de Sarila in French

The film draws heavily on Inuit culture and tradition. Set in northern Canada in 1910, it tells the story of three young Inuit, who set out for the legendary land of Sarila in search for food for their clan. One of them, Markussi, finds out during their adventures that he is really an Inuit shaman, while the clan's shaman at home repeatedly attempts to kill him and undermine their quest.

April 23, 2017 2-4pm for 3-12 years old

Inlet Theatre, 100 Newport Drive, Port Moody, BC, V3H 5C3
